Prices do not include furniture, sub-floor infill, steps, carport or slab, siting, site preparation, piers or tie-downs, crane hire, site toilet, silt/site fencing, council or surveyor's fees, the connection of utilities (gas, water, electricity including the connection across the join of the home, storm water and sewerage).

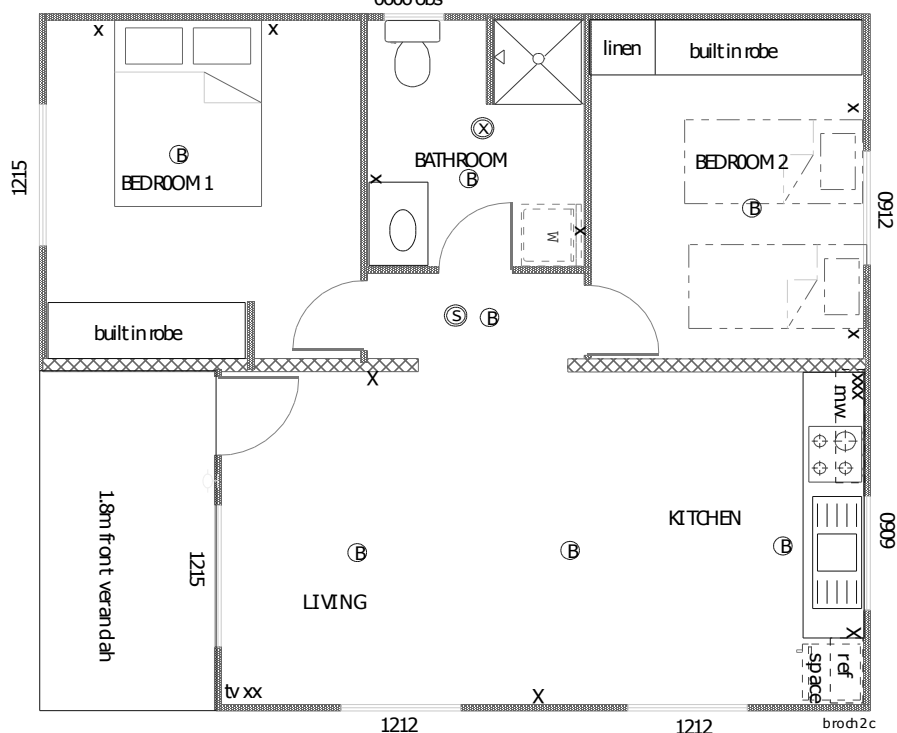

Mogo 8.3m x 6.7m

Exterior Option- Suggestion Only.

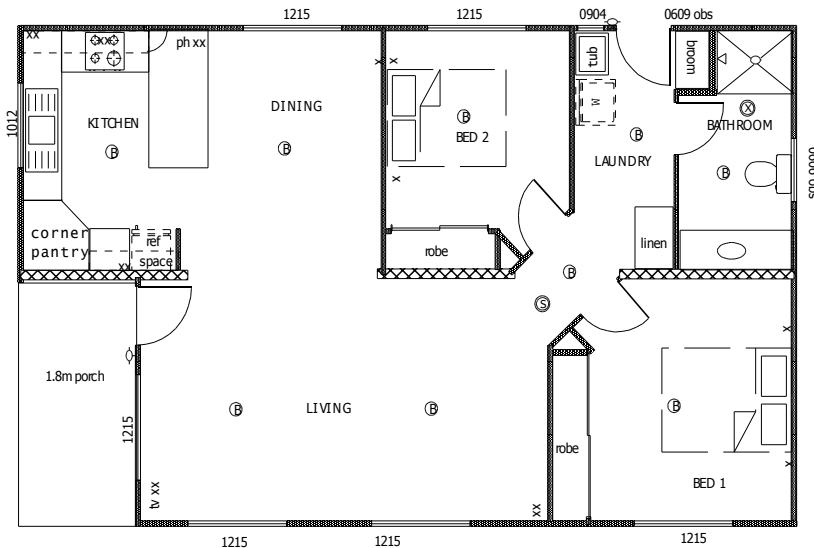

Holiday cabin or retirement home, everything you need close at hand. Optional front or side access with verandah or pergola for outside living.

Gannet Beach 8.5m x 7.5m

Large open living area, under roofline verandah – an ideal holiday home for a small block.

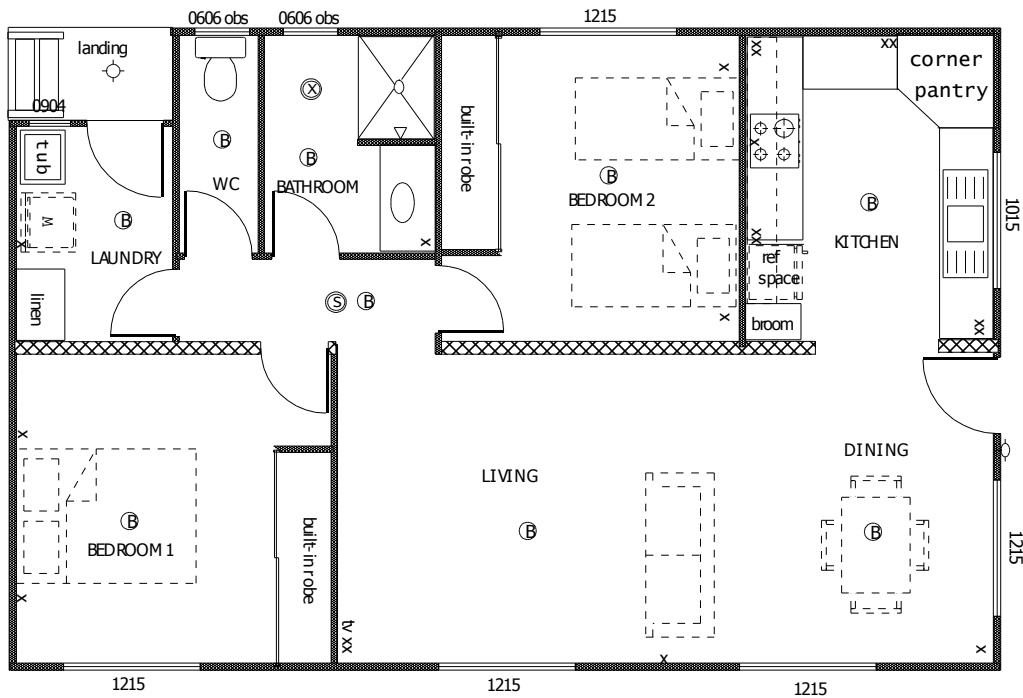

Botany Villa 11.5m x 7.2m

Exterior Option- Suggestion Only.

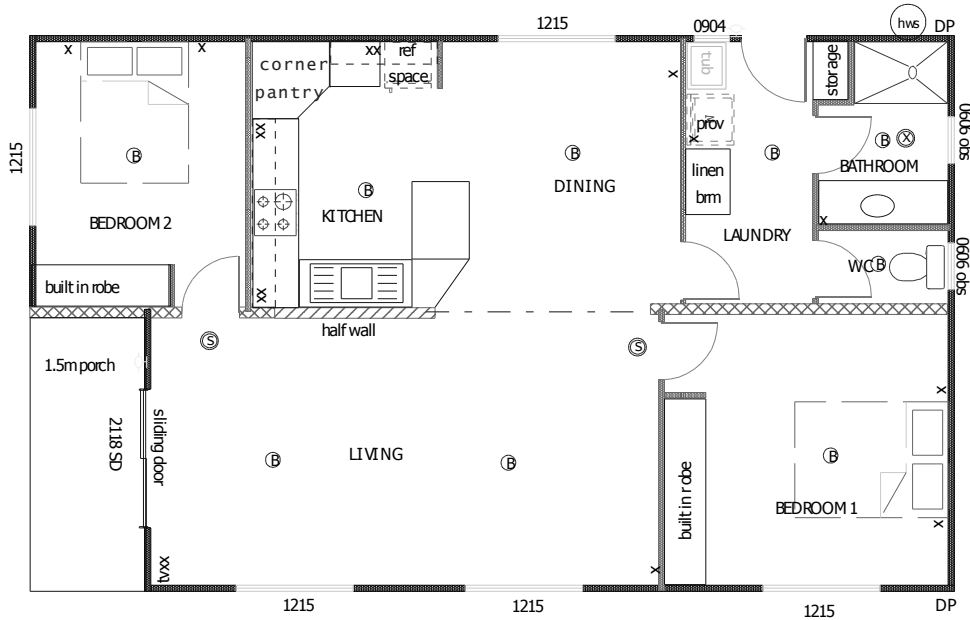

The Botany Villa has flexibility of outlook, large living and eating areas and generous bedrooms. Entry can be expanded with multiple doors onto external entertainment areas.

Gull Cottage 11m x 6.7m

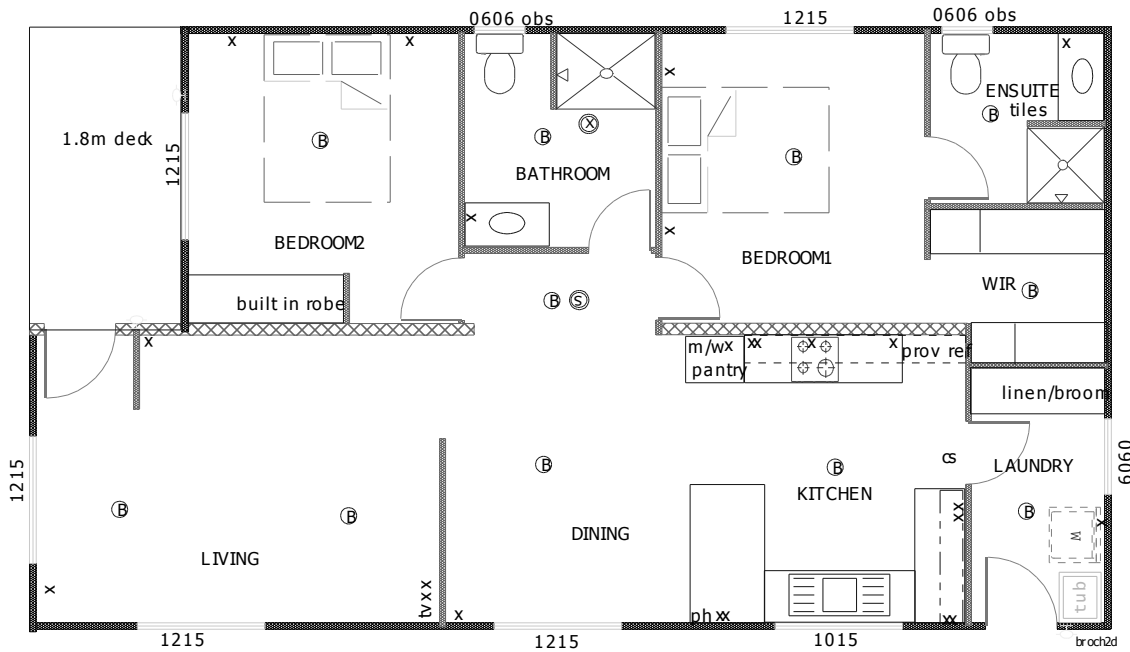

Two equal bedrooms and a large living area are the prime features of the Braidwood Cottage. A full length verandah and a carport with built in workshop would finish this superb home.

Poplars 12m x 7.2m

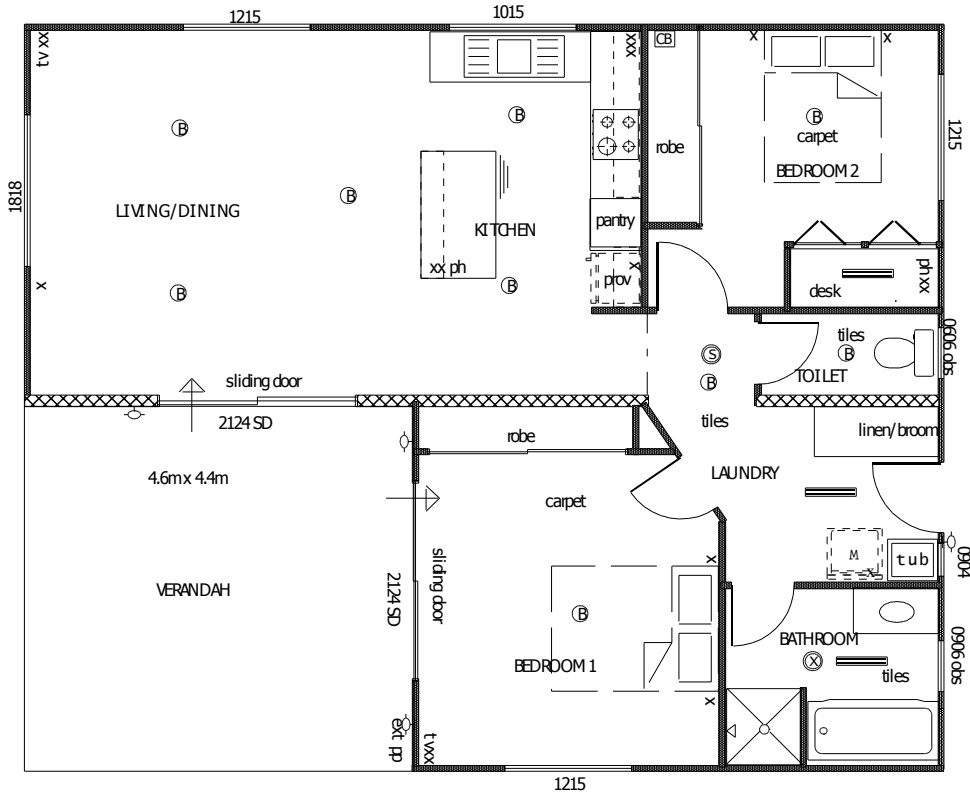

Open plan living with a generous main bedroom and central living area. Enhanced with verandahs on two sides and a carport the Poplars can make the most of your block.

Port Gateway 12.8m x 7.2m

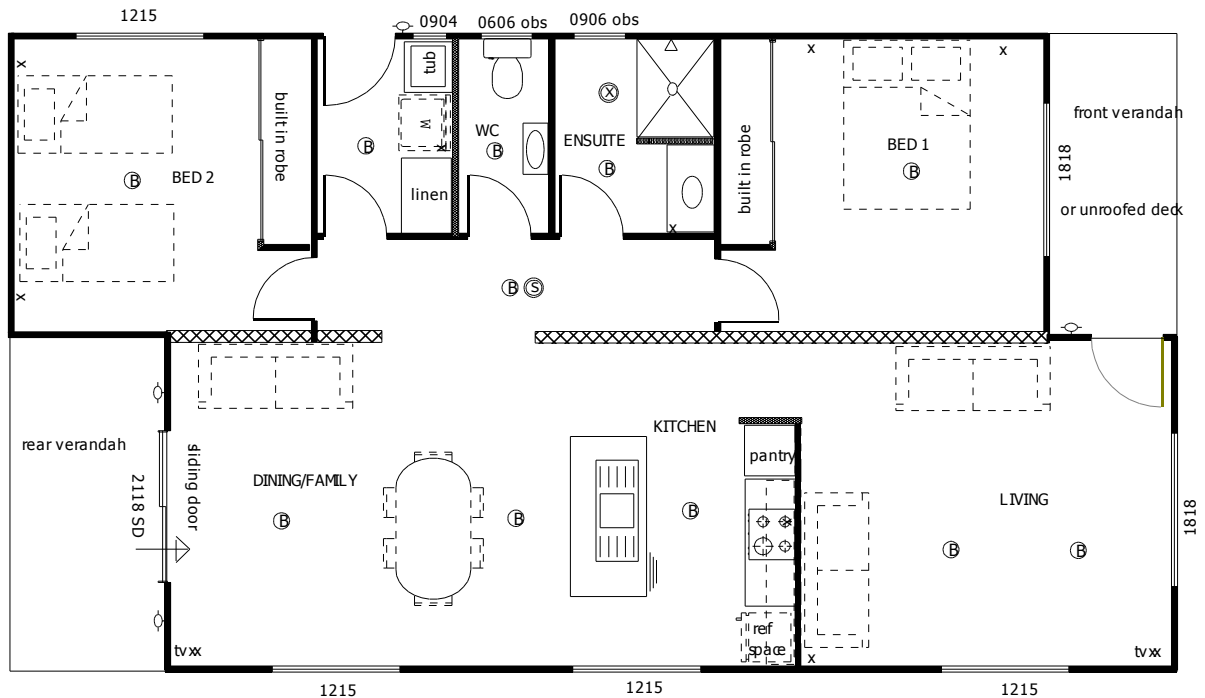

This upmarket home provides all you could need – large bedrooms, ensuite, walk in robe, walk through kitchen, separate dining and under roofline entry complete this ideal home.

Valencia 11m x 9m

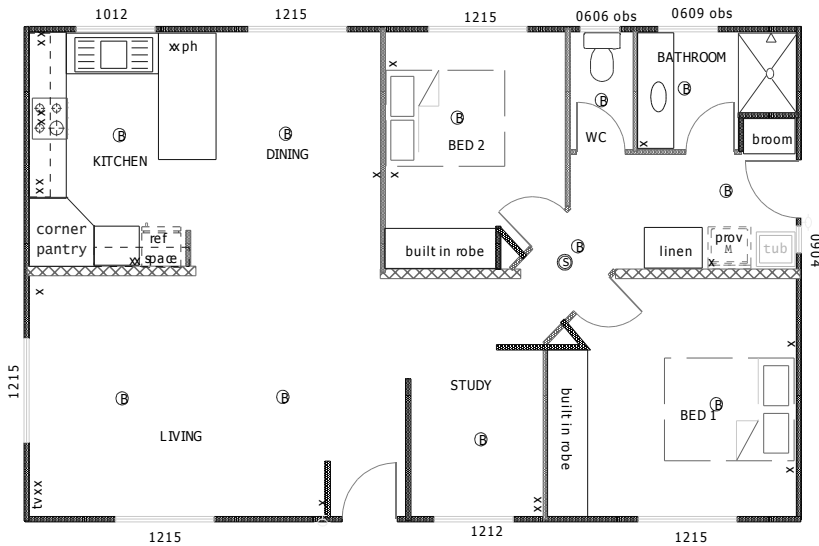

Large under roofline verandah makes the most of out door living

Costa del Sol 13.8m x 7.6m

Open plan living, family room and private bedroom area make this an ideal family home.

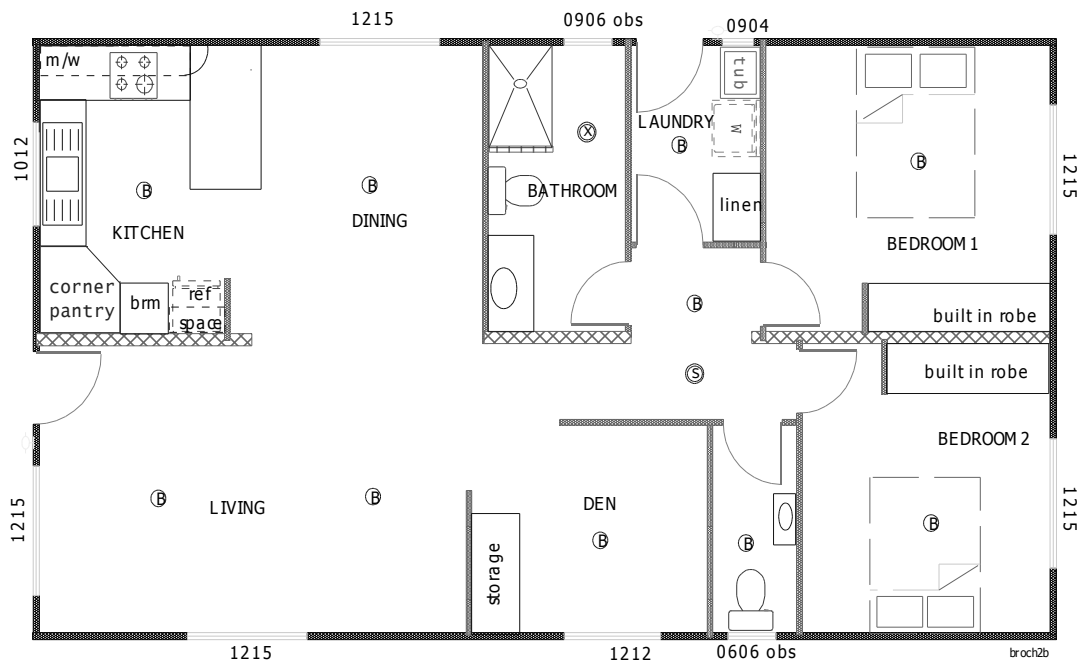

The Brighton 12m x 7.2m

Exterior Option- Suggestion Only.

Our most popular design includes 2 bedrooms and study. Foyer area gives privacy, add verandahs on one or all sides to make the most of your view.

The Bristol 13m x 7m

2 large bedrooms with den for computer, sewing or office, extra toilet – what more could you need. Side or front access gives scope for multiple verandahs, carport or workshop.
